Vocal

Steped in- to one of those hip bars

the kind with dis-co-mu-sic on high. Was a- bout to or- der a beer and there she

stood, oh me ohmy. A pret- ty face and the hair

styled ac- cord- ing to the lat- est fash- ion. One could see that she was in good train

musc- les all ov- er and strong ac- tion. You should see the danc- ing bar- tend- er,

she turns you in- to a big- spend- er. When she moves her hips you sur- rend- er

and buy a drink or a beer from her.

As she moved be- tween the cust- om- ers she let the mu- sic move her bo- dy.

A lit- tle strain in her bot- tom musc- les made me stay put, read- y and stead- y
